LIST OF CORRESPONDENTS
On the following pages Members will find a list of Correspondents to whom reference can be made in matters which might involve the Association’s cover. Correspondents can act on the Member’s behalf so as to protect his interests, but at the same time the Member should notify the Managers. Correspondents are not agents for the purpose of service of process upon either the Member or the Association.

Correspondents are listed in the Directory in Country order. The International Dial Code (IDC) is shown for each number and preceded by a “+” sign. When calling from inside the country concerned it may be necessary to add a zero before the area code. An Index to Ports starts on page 122.

This List has been compiled as at February 2016. Amendments to contact details are posted to the Association’s website www.londonpandi.com throughout the year as they are received by the Managers.
