

THE LONDON P & I CLUB

LIST OF CORRESPONDENTS FOR 2013

On the following pages Members will find a list of Correspondents to whom reference can be made in matters which might involve the Association's cover. Correspondents can act on the Member's behalf so as to protect his interests, but at the same time the Member should notify the Managers. Correspondents are not agents for the purpose of service of process upon either the Member or the Association.

The maps show ports and places throughout the world at which assistance may be obtained.

Map 1 - The Americas, Pacific Islands and New Zealand

Map 2 - Europe, Middle East and Africa

Map 3 - India, Far East and Australasia

Map 4 - Europe and the Mediterranean

Correspondents are listed in the Directory in Country order. The International Dial Code (IDC) is shown for each number and preceded by a "+" sign. When calling from inside the country concerned it may be necessary to add a zero before the area code. An Index to Ports starts on page 223.

This List has been compiled as at February 2013. Amendments to contact details are posted to the Association's website *www.londonpandi.com* throughout the year as they are received by the Managers.
