TO ALL WAR RISKS MEMBERS

Dear Sirs

Additional Premium Areas

In accordance with the Association's Rule 19.3 (Class 7 War Risks), the following amendment to the areas listed in the Association's Circular dated 15 June 2010 (No. 7:097) will become effective from 00:01 hours GMT on 24 August 2010.

The following area is added:

Africa

Eritrea, but only south of 15°N.

The following area is amended:

Middle East

Southern Red Sea added to Gulf of Aden.

The Additional Premium Areas in force at 00:01 hours GMT on 24 August 2010 will therefore read as per the **schedule overleaf**.

Iran Sanctions

Members should also be aware that legislation has been introduced or is expected shortly as a consequence of which the manner in which ships are traded, involving Iran and commitments to Iranian entities, could lead to the Association becoming subject to sanctions that could threaten its continuing operations. Also reinsurers of the Class have given notice that they will shortly be excluding cover in circumstances where by doing otherwise, they also would become subject to the sanctions. Accordingly Members should expect, imminently, notice from the Association of cancellation of their insurances under Rule 4.D.8.1 of this Class 7 and reinstatement of the insurances on terms that will exclude cover in circumstances that could lead to the Association becoming subject to the sanctions and/or suffer shortfalls in claims recoveries from reinsurers.

Yours faithfully
A BILBROUGH & CO LTD
