TO ALL TANKER MEMBERS

Dear Sirs

CLUB INSPECTION PROGRAMME – CARRIAGE OF HFO AS CARGO

The Association's Circular dated 3 February 2006 ([T:027](#)) explained that the International Group had agreed that all tankers aged 10 years or more which have carried HFO as cargo in the previous 12 months should be inspected as soon as is practical, unless:

- the ship has undergone an inspection during the previous 12 months; or
- the ship has undergone a Class Special Survey during the previous 6 months; or
- the ship has a current CAP 1 or CAP 2 rating issued by an IACS Classification Society.

Members are required to make an annual declaration of the tankers which have carried HFO in the prior policy year. Where no entered tankers have carried HFO Members are requested to confirm that is the case by completing the relevant section in the form. The declaration form for the period 20 February 2015 to 20 February 2016 is attached.

This form should be completed, signed and returned to the Association at HFO@londonpandi.com by 30 April 2016.

If any further assistance is required please do not hesitate to contact the Managers' Ship Inspection Department.

Yours faithfully
A BILBROUGH & CO LTD
(Managers)
