UKMTO has received a report of an incident 40NM southeast of Umm Qasr, Iraq.

A Cargo Vessel was transiting in the Arabian Gulf when it experienced a large explosion following potential impact from an unknown projectile on the starboard side.

UKMTO is unaware of any environmental impact at this time.

**Update 001:** UKMTO has been informed of a second impact to the Cargo Vessel, resulting in a fire which has since been extinguished. No report of injuries to crew.

Vessels are advised to transit with caution and report any suspicious activity to UKMTO. Authorities are investigating.
